## Sure Cure

For General Weakness.

The debilitating effects of a warm  
climate and exposure to all kinds of  
weather are sure to bring on disorders  
of the blood and weaken the system.  
Mr. Charles Geddes, of Mt. Malcolm,  
W. A., sends us his photograph, and  
tells of a sure cure for these conditions.

"For some time I have been landlord of the  
Royal Hotel in the Mt. Margaret gold fields  
district, eighty miles from the nearest railway.  
I have sold a great deal of Ayer's Sarsaparilla,  
and it gives the most universal satisfaction.  
When miners, prospectors, and others become  
run down by lack of fresh vegetables and fruits,  
and from exposure to all kinds of weather,  
their blood becomes very impure and the whole  
system greatly weakened. But

## AYER'S Sarsaparilla

is always a sure cure. I have known miners to  
send a hundred miles for it, such is their faith  
in it."

To cure constipation, biliousness, in-  
digestion, and sick headache, there is  
no remedy equal to Ayer's Pills.

## BRILLIANT ENDORSEMENT.

By Health Journal of New York, Aug-  
ust 24, 1899—J. A. Davis, M.D., Editor  
and Manager.

Only last week we examined the beer  
brewed by the Capital Brewing Com-  
pany of Olympia, Wash., and it is a  
perfect illustration of the quality of  
beer which we are always glad to com-  
mend, for the analysis showed it to be  
entirely free from any trace of any in-  
jurious substance. Such a high grade  
of beer is most beneficial in its use, for  
none of the pure malt and hops have  
been displaced by harmful ingredients.  
Every hygienist will concur with us in  
saying that a beer of such superior  
excellence is a very wholesome bever-  
age. Physicians often have occasion  
to prescribe a pure beer for cases of  
debilitation, and they can safely order  
this beer, made by the Capital Brewing  
Company.

L. H. Dee has in his keeping the  
American Journal of Health and can  
be seen by anyone.  
This beer can be had in bottle or on  
draught at the HOFFMAN, corner of  
Hotel and Nuuanu streets. A large as-  
sortment of the very best of American  
and foreign liquors are pleased to  
sell you and give you value for the  
penny of your health.

Yours, L. H. DEE,  
Proprietor of HOFFMAN.

## B. F. DILLINGHAM TALKS

SHOWS THAT ORGANIC LAW IS  
NEEDED.

The Governor Should be Chosen From  
Hawaii—An Outsider Would Not Un-  
derstand Island Conditions.

B. F. Dillingham has been talking of  
island affairs. To the Examiner, Mr.  
Dillingham said:

"The President's message is satisfac-  
tory to us so far as it goes, but it  
might go further and convey more  
hope to those who desire speedy action  
on Hawaiian affairs. Nine-tenths of  
the white people of the Islands assume  
that Hawaii is to be admitted as a ter-  
ritory. This taken for granted, it rests  
with the Administration to provide us  
with competent officials and sound local  
government. At present we are in a  
state of awkward suspense, and de-  
velopment of the Islands is being seri-  
ously retarded by the sluggish action  
of Congress. We have practically pass-  
ed under the control of the United  
States, but no steps have been taken  
to establish a government. The terms  
of office of the present Executive and  
his advisers will soon expire, and in  
the present condition we cannot legally  
elect their successors, nor can we retain  
the present incumbents in office.

"Taxes are being collected and the  
public moneys hoarded in the Treasury.  
We cannot legally spend a cent upon  
necessary public improvements, nor  
appropriate a dollar for any purpose  
whatsoever.

"I hope President McKinley will fa-  
vor us with a good Governor. His se-  
lection should be a man of experience  
in island affairs, preferably a resident  
of Hawaii. There are questions now  
before us which no outsider, however  
talented, can understand. We also  
have an abundance of material from  
which the judiciary can be chosen.

"We need more Americans in Haw-  
aii. Our trade with the United States  
is enormous. Since 1897 one Chicago  
firm alone has sold us more than \$1,-  
000,000 worth of pumping machinery.  
We get all our lumber, implements,  
grain, canned goods and live stock from  
the United States and have to pay for  
it all from our soil. Give us anything  
like a fair chance and we are perfectly  
satisfied."

## NEW ISLAND VESSELS.

The Kaulani and a Schooner Coming  
for Local Use.

The new steamer Kaulani, built for  
the Wilder Steamship Company, left  
San Francisco on the 15th of this month  
for Kahului, with a full cargo of mer-  
chandise. She is expected to arrive  
about the first of the year and will at  
once go into commission. Reports of  
her launching and trial trips show that  
she is a success in every particular.  
The Wilder Company also has a new  
schooner coming down to join its fleet.  
It is about the same size as the  
Golden Gate, which is a recent pur-  
chase and has proved very useful. The  
new schooner has been named the  
Alice Kimball, being named after Mrs.  
Kimball, wife of J. Kimball.

## MYSTERIES OF UTAH.

"There's one thing I'd like to know  
about Roberts' three wives."  
"What is it?"  
"Who appoints the forewoman?"

## TWO POINTED QUESTIONS AN- SWERED.

What is the use of making a better  
article than your competitor if you can  
not get a better price for it?  
Answer: there is no difference in the  
price the public will buy only the bet-  
ter, so that while our profits may be  
smaller on a single sale they will be  
much greater in the aggregate.

How can you get the public to know  
your make is the best?  
If both articles are brought promi-  
nently before the public both are cer-  
tain to be tried and the public will very  
quickly pass judgment on them and use  
only the better one.

This explains the large sale on Cham-  
berlain's Cough Remedy. The people  
have been using it for years and have  
found that it can always be depended  
upon. They may occasionally take up  
with some fashionable novelty put  
forth with exaggerated claims, but are  
certain to return to the one remedy  
that they know to be reliable, and for  
coughs, colds and croup there is nothing  
equal to Chamberlain's Cough Remedy.
